Dear Greg:

On behalf of MHA/NYS and all of our Community Mental Health Promotion teams, I would like to thank you for the presentation you made at the opening dinner for our 11th Annual Statewide Training.

Your presentation was well organized, flawlessly presented, inspiring and informative. When participants rated your presentation on the conference evaluation form, the vast majority of people rated it as excellent and the remainder rated it as very good.

We are also appreciative of your providing us with a hard copy of your presentation. Your information on working with reports was so valuable that we will convert it into a skill sheet on our website for the teams to use.

Finally, it is important for you to know that during and after the conference, participants shared how inspired they were by your personal story.

Many thanks for your work. You helped to make this conference a resounding success!

Sincerely,

Helena Davis, Director
